Rebate Details

Get $50 from National Grid with your purchase of an ENERGY STAR® Most Efficient refrigerator.

These rebates are good for purchases made from January 1, 2015 through December 31, 2015. Rebate requests must be postmarked or completed online by January 31, 2016.

Some restrictions may apply. Just ask your local participating retailer for details. For a complete list of qualifying refrigerators at participating retailers, call 1-877-886-2539 or visit www.nationalgridus.com/ri-fridge.

Save year after year.

High-efficiency refrigerators consume less energy than standard models, reducing your related electricity usage and costs. By replacing your old refrigerator with a new high-efficiency model, you can save from $200 to $1,100 on energy costs over its lifetime.

ENERGY STAR Most Efficient:
The Environmental Protection Agency (EPA) recently introduced ENERGY STAR Most Efficient, a new distinction that recognizes products that deliver cutting edge energy efficiency along with the latest in technological innovation.

This rebate offer is available to all Rhode Island residential electric customers of National Grid and may be subject to change/withdrawal without prior notice. This rebate may not be combined with any other offer. Savings and energy efficiency experiences may vary. National Grid does not guarantee the product’s performance, nor does it provide any other warranties, either expressed or implied. If a product you have purchased is defective, contact the retailer or manufacturer. National Grid reserves the right to conduct field inspections to verify installations. This offer is void where prohibited, taxed, or otherwise restricted. Customers are responsible for any and all applicable sales tax. National Grid will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. These programs are funded by the energy efficiency charge on all customers’ gas and electric bills, in accordance with Rhode Island law. Customer agrees that the Energy Efficiency Program Provider (EEEP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEEP with such further documentation as the EEEP may request to confirm the EEEP’s ownership of such benefits. Rebate paid in the form of a National Grid Visa Prepaid Card. The Visa Prepaid Card is not redeemable for cash or usable at any ATM. Terms and Conditions apply to the card. Subject to applicable law, a monthly maintenance fee of $3 (USD) applies, but is waived for the first six months after the card is issued. Your card is issued by MetaBank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories. National Grid reserves the right to substitute a check of equal value in lieu of a Visa Prepaid Card at its discretion. Please allow 6-8 weeks for application processing. To check the status of your rebate, call 1-877-711-3013 or visit www.smartenergy-zone.com/nationalgrid and click on “My Rebate Status.”
